Number 20

ROYALTY REIGNS over the weekend activities as the Snow King Dick Ridout and Queen Jean Zell take over their positions. Here Queen Jean crowns King Dick. Court members Ron Burrichter, Vivian Johnson, Jayne Christensen and Orv McElfresh and Student Body President Dick Buchsteiner look on.

Snow Weekend In Motion

By Kathy Piotter

Snow Weekend at Wartburg is now in full swing with a variety of activities planned for the rest of the day, including a basketball game and informal dance. Theme for the weekend is "Fantasyland in Snow."

Weekend's festivities began last night with a variety show under the direction of sophomore Lora Froehlich, chairman. Dale Fridley served as emcee for the musical acts and humorous skits that made up the show.

During the show the winners of the three categories of the beard-growing contest, "most caressable," "unique" and "nice try," were announced.

Winning the prize for the "nice try" contest was Mark

Spaude, freshman. Freshman Nels Beckman won the prize for "unique" and sophomore Gordon Meisgeier won the prize for the "most caressable" beard. Trevor Owen, English Department, was given a special award for his beard.

The judges for this event were Trevor Owen, English Department; Miss Gloria Alcock, Business Department; and Bill Melvin, Admissions Department.

First prize of \$5 in the variety show was won by a vocal trio. Sophomores Sharon Hampton, Lora Froehlich and Bev Stendel composed the trio. They sang "Moonglow" and "Darkness on the Delta," both arranged and accompanied by Ken Schneider, junior.

Second prize was awarded to juniors Allen Mardorf and Jim Matthias for their piano duet of "The Theme from the Apartment."

Freshman Linda Stull won third prize for her dramatic monologue entitled "The Merrie Olde Dragons."

Judges for the talent were Dr. Edwin Schick, Religion Department; Robert Larson, Music Department; and Dr. P. A. Kildahl, English Department.

King and Queen of Snow Weekend were also announced last night. The royal couple is Dick Ridout, a junior from Ackley, and Jean Zell, a senior from Cavour, S.D. Dick and Jean were both nominated to represent Clinton Hall.

Miss Zell said she was very flattered to be chosen as Queen and wished to thank all the committees and everyone else who worked so hard to make this weekend the success that it is.

Members of the court were Ron Burrichter, junior, and Vivian Johnson, senior, representing North Hall and Orv McElfresh, and Jayne Christensen, juniors, representing Pi Sigma. Elections were held in convo Thursday morning.

Snow sculptures, planned and erected by various organizations, are evident this week on campus. Judging of the sculptures took place at 12 noon today.

Athletic events are playing an important role in the weekend activities. Last night the first rounds of the Iowa Conference Championship wrestling tournament were held. Consolation and final rounds will be held this afternoon in the Knights Gym.

Tonight the Knights will take on the Norsemen of Luther in the last home game of the season. Representatives from three other conference schools will be presented during half-time of the game.

Following the game, an informal dance will be held in the gym under the theme of "Cedar Valley Ski Lodge," and the price is \$1 per couple and 65 cents single.

The Knightbeats, led by junior Jim Tjaden, will provide the music for this final big event of the weekend. The trophies for the snow sculptures will also be presented at this time.

Mike Becker served as general chairman for the weekend; Bill Dietz was chairman of snow sculpture; Lora Froehlich was chairman of the variety show and Betty Kalkwarf was chairman for the dance.

Elections Head Senate Talk

By Darrell Jobman

Elections — constitutional and student body — were the center of Senate attention at last Monday's weekly meeting.

Form of the ballot for next Tuesday's constitutional election and methods of nomination for student body elections coming up March 15 were particular concerns of the senators.

The constitutional election (see form of the ballot below and Student Body Pres. Dick Buchsteiner's article on page

ing or repetition. Therefore, the ballot was shortened so that only one check will approve or disapprove all five revisions.

Constitutional elections will delay the opening of nominations for student body officers four days. Originally, nominations were to have opened yesterday, but they will not open now until 4 p.m. Tuesday when the election results are known.

Nominations will still close next Friday with the campaign beginning next Saturday and the election being held the following Friday, March 15. Campaign speeches will be presented at the student body meeting March 12.

Since senators also revised the bylaws at a previous meeting to install the split ticket system, different candidates will be running for student body vice president.

"All qualified juniors should give serious consideration for the three, possibly four, student body offices," said Buchsteiner.

Senators discussed Monday the method of nomination for the various offices and decided that a candidate must have two other student signatures in addition to his own on the nomination blank.

Efforts to start a petition system which would have required a candidate to have 30 student signatures to be nominated were defeated.

Senators also discussed campaign restrictions in regard to finances and decided not to impose any restrictions.

Also concerning elections, senators agreed to list the candidates for each office alphabetically in separate lists. Some previous discussion involved listing a slate of candidates—president, vice president, secretary and treasurer—in one line.

Sophomore Bob Braun was approved by senators as a student member of the student-faculty Publications Committee to replace Harold Webster in an item not involving elections.

Student Body Vice Pres. Fred Dierks reported on Wartburg's Campus Bowl performance at Simpson and said that the Simpson team would come here for a convo either May 2, 7 or 16. Wartburg lost the match at Simpson, 300-140, after a tight first half.

Pops Tickets Sales Urged

"Get your Pops Concert tickets now," urges Al Exner, general concert chairman.

The Limelites, a vocal-instrumental group, will perform at 8 p.m. in the Chapel-auditorium March 14.

"Students are urged to get their tickets soon, for they will be sent off-campus if they move faster there," according to Exner.

There will be no reserved seats.

Tickets are being sold in the dorms, College Hill Pharmacy, Stauffer's Pharmacy, Meyer's Drug Store and various places in Waterloo and Cedar Falls.

Series Tickets

Students may pick up their tickets for the final Artist Series next Thursday and Friday from 8 a.m. to 4 p.m. in the foyer of the Chapel-auditorium.

The last Artist Series will feature Ton Il Han, famed Korean pianist, who will appear March 18.

Den Tickets Soon Ready

Merchandise tickets will soon be ready for purchase to be used in the college Den, according to Mrs. Henry Grube, cafeteria manager.

Tickets will be issued by any one of the three Den cooks or by Mrs. Grube.

"This is not a meal ticket," she said. "It can be used to buy any kind of merchandise in the Den."

The nontransferable ticket costs \$5 and will buy \$5.25 worth of merchandise.

"It is not necessary to buy one of these tickets to eat in the Den. Things can still be bought without such a ticket," said Mrs. Grube.

POPS CONCERT ticket sales roll along. Junior Elaine Krominga, ticket chairman, presents Pres. C. H. Becker with two tickets for the Limelites scheduled for March 14.

Marine Corps Team On Campus Monday

The Marine Corps Officer Selection Team will be in the Student Union on Monday to give the Officer Selection Test and interview students interested in earning Marine Corps commissions, according to Capt. R. W. Badeker, officer selection officer from Des Moines.

Three officer training programs are offered by the Marine Corps. None of the programs require on-campus training, reserve meetings or drills during the school year.

For further details, students may see Capt. Badeker while he is on campus.

two) involves the residence requirements of nominees for student body officers and selection of the student body treasurer.

If the revisions are approved, a transfer student would be eligible for a student body office if he has been here one semester and meets other qualifications. Presently, a student must have attended Wartburg three semesters prior to running.

However, the transfer student will still need a 2.5 average for the semester or semesters he is here since other schools might not have similar grading systems, according to the interpretation of the Senate.

Whether or not the treasurer should be elected involves five constitutional changes, but most of the revisions involve word-

EDITORIALS

Conf. Commended

First of the presidential news conferences is now history and all that remains is the usual hindsight.

An evaluation, though, does place one in sort of a paradox. At first glance the conference offered little in concrete results. A reason for this perhaps was that the variety of topics discussed was nearly as large as the number of questions asked.

Covered were such things as dancing in the housing units, restrictions placed upon women students, method of regulation change, the building program and faculty tenure. It is obvious that with as great a number of topics as this, none could be covered adequately in the time allotted.

The very newness of this type of event also seemed to hamper its effectiveness. A feeling of uncertainty seemed to rise from both sides of the speaker's stand, no one really knowing what to expect. At times this seemed to interfere with the give and take which could have greatly aided the exploration of these matters.

A paradox arises from the fact that in the long run the press conference will do a great deal to improve the communication between the students and college administrators. As a beginning toward this end, the first conference was very commendable.

Interchange of this type between the president and student body should do a great deal toward lubrication of administrative channels which the students must use to accomplish any sort of change.

Conferences could possibly be improved by making them longer so it would be possible to pursue topics more in depth. The atmosphere should in the future be greatly improved simply because everyone will have a better idea of what to expect.

Thus the presidential press conferences are good and should be continued. The faults are there but will probably work themselves out.

pb

Knights By Two

One little, two little, three little, four little knights in a row. Or is it eight?

This seems to be a big problem in many areas of the campus lately, namely deciding whether certain Knights and Knighties are one or two.

Anyone walking in the vicinity of the Union lounge, dorm lounges, or the "pit," as it is aptly named, could wonder if his vision is failing or if he did actually see one object suddenly divide into two as he came walking up.

It is admitted that the actions seen are at times and in certain places no more than what would appear at home if we were there. And since we're not we must expect to see a certain amount of "necking" in various places.

But when this same situation does exist over the entire campus and at times can be seen before most of the student body has even had breakfast, then the situation is getting out of hand!

When a student enters college he becomes an adult with many of the responsibilities of an adult, not only to himself but to others. Consider this and then set your own rules.

eb

The really important people don't have to impress others. They are just known.

Take heart. The ice patches will soon disappear and there will be puddles to take their places.

Now that the Den is going to have meal tickets, maybe Roy's will issue credit cards.

Too many people know what they want and how to get it, but don't know why.

Is it fiction, non-fiction or editorialized? You decide.

PRIOR TO STUDENT BODY VOTE

Constitution Change Told

By Dick Buchsteiner

On Tuesday the student body will have an opportunity to either accept or reject two important revisions of the Student Body Constitution.

One of the revisions will make the student body treasurer an elected rather than an appointed person. Since the treasurer is a member of the Executive Committee and generally considered to be an officer, it is the feeling of the Senate that he too should be elected like the president, vice president and secretary.

OUR PRESENT FORM OF the constitution does not actually consider him to be an officer nor does it list his responsibilities. The proposed revisions will do both.

Other factors are also involved in this revision. For one, it will increase the size of the Senate by one member. Since Wartburg is growing, it seems only appropriate that its governing body should grow with it.

Increasing the number of Senate members will give the Executive

Committee a wider choice in selecting Senate members to head the various committees of student government.

NO LONGER WILL a senator need to be appointed to the position of treasurer. This will allow one more member of the Senate to concentrate his efforts on representing students without the added responsibilities which he would have as treasurer.

Since the student government fee will be increased next year and the Senate will have more money to work with, a person is needed whose main responsibility is handling finances.

The second revision will allow a transfer student or junior college transfer to run for a student body officer. Since Wartburg is receiving more transfer students, it does not seem right to eliminate them from an opportunity to run if they so wish, and our present constitution prohibits this.

A TRANSFER STUDENT would have eight months in which to become acquainted with the operation of our student government. Some of our transfer students have served as student body presidents at junior colleges and could make a definite contribution as a student body officer here at Wartburg.

Since it is difficult to evaluate the academic climate at other schools and compare them to Wartburg's, a transfer student would need a 2.5 grade point during his semester at Wartburg in order to meet the academic qualification.

He could use his grade point 2.5 requirement for his last three from another college to meet the

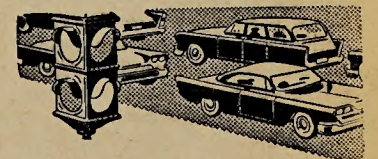

semesters. By having a 2.5 in his semester at Wartburg, a student would show that he is capable of good grades here.

The revisions to be voted on will affect the constitution by which you, the student body, are governed. Whether you care enough about your government to cast a vote will be shown on Tuesday.

KNOWING OUR STUDENT body, I predict that a small percentage of our students will vote. Since this election will not be "entertaining" or granting the students more privileges, most of them will not even bother to take part in it.

For those of you who do accept some responsibility to govern yourselves, I would urge you to approve the revisions which are proposed. They have passed the Senate and their final acceptance or rejection is now in your hands.

The Senate feels the revisions will improve our student government. On Tuesday you will have a chance to express your opinion.

KNIGHTMARES

Library IQ Test Given For Measuring Thinking

By Mike Sherer

More times than not, individuals fail to appreciate their resources until they take the time to evaluate them; to promote such activities, such groups as GUESS (Guild of University Educators Seeking Statistics) have invented convenient devices for measuring public thinking. "What," Dr. Schick asked some days ago, "would we do without the blessed questionnaire?"

Not knowing the answer to this question, I have chosen instead to come up with a questionnaire of my own. If you don't know anything about the Wartburg library when you're finished with this one, it's probably just as well.

Sherer

LIBRARY IQ TEST

In the lobby of the library are located

- (1) copies of McGuffey's Reader
- (2) freshman girls
- (3) The Confederate Army in Song and Verse
- (4) lobbyists

This (see above) is most likely because

- (1) Progressive educators have banned them from the stacks
- (2) it is full of freshman boys
- (3) Northern radicals have banned it from the stacks

"Hard-to-find" type books include

- (1) those dealing with one's major field
- (2) Books having been sold to other libraries
- (3) Practically everything

If a desired book number cannot be located it is likely that

- (1) you have copied down your social security number by mistake
- (2) you are loafing
- (3) the book has been stolen
- (4) you do not know how to count

The most sensible solution would be to

- (1) try your driver's license
- (2) try to get into an upright position
- (3) request a librarian to kindly tell you who has stolen it

The arrangement of magazines is

- (1) from popular to technical, beginning with agronomy
- (2) confusing to Frenchmen
- (3) something like a drug store

If you find yourself paying large sums of money at the desk, it is probably the case that

- (1) your roommate has checked out in your name 18 volumes of Shakespeare's Works
- (2) you have stolen Compton's Encyclopedia
- (3) you are in the treasurer's office

WAVERLY BOWL-INN

By Paul Baumgarten
Luther Norsemen have taken what may be an uncatchable lead in the Iowa Conference wrestling meet which began last night in Knights Gym. They lead second-place Dubuque by 10 points 47-37. Wartburg stands third with 35.

The Knights have placed three wrestlers into the finals. They are senior Bill Smith at 130, senior Jim Mueller at 137 and senior Tim Tower at 147 pounds. All drew byes in the first round and defeated their men in the second.

Wartburg also has four men in contention for consolation honors. They are junior Duane Huth, heavyweight; junior Roger Damrow at 123; sophomore Dave Hutson at 167 and junior Bernie Maskev at 157.

It was Hutson at 167 who drew the greatest hand of the evening. He customarily competes in the 137 pound class but gave up 30 pounds so the Knights would not have to forfeit at 167 pounds. Regular 167 pounder Cal Brown came down with chicken pox early this week and was out of action.

Hutson was overpowered in his first match against Sayers of Dubuque who had pinned his first opponent. He lost the match by a 5-1 score.

For his second match he drew Rasmussen of Simpson. He managed several takedowns and at least one escape and ultimately outpointed Rasmussen 7-4. Today he faces Rodhajsky of Dubuque for the consolation championship, a third in the meet and two more points for the Knight team score.

Coach Norm Johansen was quite obviously pleased with Hutson's showing. However, he felt that the pairings hurt the Knight championship chances greatly. He said that the six byes lost the Knights too many advancement points which the other teams had a crack at.

With four men in the finals and another in the consolations Luther seems in a good position to maintain its lead and win its third straight conference championship.

In best challenging position is the third place Knight squad with its three finalists and three in the consolation round. Only at 137 pounds do the two schools meet directly. This one pits Knight Jim Mueller against Norskie Roger Kittelson.

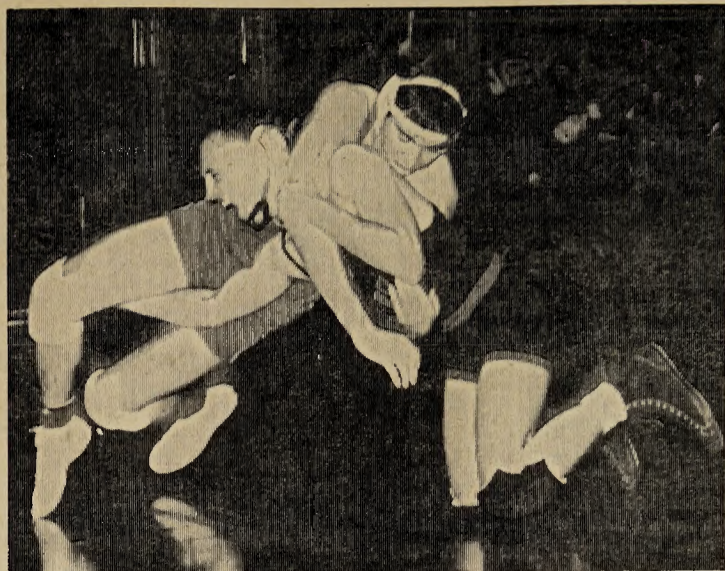

Second place Dubuque is in a considerably poorer position than the Knights to overtake Luther. It has only two finalists and one of these, Sayers at 167, must face Luther's Dave Schriber who is last year's conference champ. Dubuque also has two in the consolation round.

Upper Iowa is in fourth place with 29 points. With only two men in the finals it is out of championship running.

In fifth is Simpson with 28. Before the meet is over they could overtake Upper Iowa. Simpson has three in the finals. One of these is defending conference champ at 123, Steve Weeber.

Parsons is in sixth place with 15 points. One finalist is from that squad.

These are the only schools to enter teams in the meet this year.

SOPHOMORE DAVE Hutson, who provided the biggest thrills of the event with his win at 167 pounds, is here shown in his first match, which he lost 5-1.

American League Has 3-Team Tie For First Place

Alpha Beta Gamma pushed the previously undefeated Off-campus II team from the top spot in the American League this week 47-39. Jim Ward, Off-campus II team captain, and his fire house boys are now tied for first place with Alpha Beta Gamma and Cotta.

Cotta defeated Grossmann Basement 54-35 and Clinton III 61-55 to tie with Off-campus II. Then Alpha Beta Gamma downed Grossmann III 73-42 and Off-campus II to make it a three way tie.

All three teams have one game left to play to complete the season. Cotta meets Alpha Beta Gamma and Off-campus II plays Grossmann Basement next Monday.

If the Off-campus team defeats Grossmann Basement, there will be a play-off for the league title between that team and the winner of the Cotta-Alpha Beta Gamma game.

There will be a three team play-off in the National League between Clinton I, Ketha and the Married Men for the league championship.

Clinton I defeated Off-campus I 82-63, Ketha downed Clinton Basement 66-44 and the Married Men won over Vollmer 75-45 this week to hold their three-way tie for first place.

Regular play in the National League was completed this week with a 80-77 win by Off-campus over Grossmann II.

In the American League Clinton II defeated North Hall in a close game 44-42. North Hall came back in its last game of the season and downed Grossmann Basement 37-35.

Grossmann III defeated Grossmann IIB 78-60 to complete American League action for the week. Both Clinton III and Grossmann IIB failed to field a team for their game this week.

There will be a play-off between league champions on March 7.

Norse Cage Foe

By Bob Nelson

Arch rivals Wartburg and Luther meet tonight in the Knights' last game of the 1962-63 season. Game time is 7:30 p.m. with a capacity crowd expected.

Wartburg has an 11-13 over-all record going into tonight's contest with seven of those victories coming in conference action. A Knight victory will mean a seventh place finish.

It will take an all-out team effort if the Knights are to win. In their first meeting, Wartburg proved it was

equal to the task by downing the Norsemen at Calmar 74-67.

Although comparative scores mean little, a look at last weekend's games involving Wartburg, Luther, Simpson and Buena Vista is interesting.

On Friday night the Knights dumped Simpson 78-60 while at the same time Luther defeated BV 77-61. Saturday night action saw Luther down Simpson 83-64 while the Knights were beaten by BV 81-66.

At present Parsons, 13-3, leads the Iowa Conference. A game off the pace is Central with a 12-4 record. Thus Parsons must win both of its games this weekend against Upper Iowa and Dubuque if they are to repeat as conference champs.

Central plays at Buena Vista on Friday night and at Simpson on Saturday night.

Last Saturday Buena Vista rolled over Wartburg 81-66. Dick Point paced his team with 32 points.

Lowell Syverson dropped in 19 points for the Knights. Gary Medlang was Wartburg's only other scorer in double figures with 14. Dave Lange contributed 9.

Wartburg dropped a home court decision last Tuesday to State College of Iowa 75-65. Trailing only 42-38 at the half, the closest the Knights were able to come was 50-48 before the Panthers pulled away.

Dick Ridout led the Knight scorers with 19 points. Medlang scored 14 while Syverson hit for 11 points.

SIDELINE SLANTS

Cinder Meet Is Herald Of Approaching Spring

By Doug Goke

Spring must be just around the corner, or at least the Wartburg trackmen seem to be thinking in these terms. Last Saturday the cindermen met their first competition of the 1963 season as they traveled to State College of Iowa for a triangular meet with SCI and Luther.

Even though the Knights did come out on the bottom end of the scoring column, Coach Dave Olson feels enthusiastic about the coming year. SCI won by a large margin. The final score showed 77 points for the host school and 29 points for Luther. Wartburg finished with 23.

★ Junior Lothar Columbus was the brightest spot for Wartburg as he finished second in both the mile and two-mile runs with times of 4:34 and 10:12 respectively. His time in the two-mile broke the Wartburg record by 10 seconds; but because he came in second, the old record will stand.

In the mile he was only two seconds over the Wartburg record. These times are excellent for the first meet of the year.

Joel Niemann, sophomore, and senior Len Schmidt pulled the only firsts for Wartburg as they tied for the top spot in the high jump by each clearing six feet. Niemann also placed fourth in the broad jump.

Two freshman pole vaulters, Tom Schwab and Jerry Zehr, made their debut in Wartburg uniforms as Schwab vaulted 11'6" and Zehr cleared 11 feet. Zehr also placed third in the low hurdles.

Senior Bill Riggle also added to the Knights' point total as he finished fourth in the 440 yd. dash.

Turning to basketball, tonight the Knights take on the Luther Norsemen. It will be the 47th encounter between the two schools. The Norse have the edge, having won 24 games while losing 22 to the Knights.

The schools first battled in 1937-38, Luther winning by the score of 43-28. Before 1945 the game scores averaged well below 50 points per team.

Lowest score recorded was in 1940-41 when the Knights were beaten by the score of 27-23. The highest score recorded by the Knights for one game against Luther was when the cagers hit for 110 points while Luther was dropping in 97.

★ A quick check of the records reveals only one new mark has been set this year. Al Buenning broke John Tuecke's record of 24 rebounds in a single game as he grabbed 26 off the boards against Loras at Dubuque.

★ Dave Brunscheen, who is the only senior on the team this year, will tonight be making his last appearance in a Knight uniform. Dave has been bothered by back trouble, so he has seen only limited action this year. He still has been one of the sparkplugs on the team. Last year was Dave's best year as he scored a total of 192 points and grabbed 129 rebounds.

Next Drama Is Mystery

"Night Must Fall," a thrilling three-act murder mystery by Welsh playwright Emyln Williams, will be presented by the Wartburg Theater Department on March 7, 8 and 9 at 8 p.m.

Based upon an actual Scotland Yard case, the play deals with a psychopathic killer who wins his way into the home and heart of a chronic invalid, despite the objections of her niece.

HIS PRESENCE in the household causes Olivia, the niece, to break off with a former suitor, since her objection to him is, in part, a cover for her love for him. Suspense and doubt mount to the inevitable chilling climax of the play.

The play enjoyed several successful seasons in New York and London as well as having been filmed with Rosalind Russell and Robert Montgomery.

In the cast will be Judy Sefer, senior; Jim Steinbrecher, Bonnie Loufek, Nancy Keel and Al Sandau, juniors; Dan Moeller and Nancy Baker, sophomores; and Barb Erickson and John Prigge, freshmen.

ASSISTANT DIRECTORS are Bob Bone, sophomore, and Phyllis Akers, junior. Gerry

Franzen and Al Sandau are stage managers with Linda Stull, Mike Zolnosky, Marvin Ackerman and Dave Hutson working on crews.

John Gill is the director of the show.

'Henry V' Comes For Film Series

"Henry V" is the next movie in the English Department's film series. The full-length feature, filmed in color, stars Lawrence Olivier and features an all-star English cast.

According to Trevor Owen, English Department and chairman of the film series, this is the "finest Shakespearean movie ever made."

Filmed in 1944, the movie was dedicated to the British Royal Air Force. It gives the viewer a good picture of what the Shakespearean stage was like in general and of the Globe Theatre specifically. Medieval warfare is also interestingly depicted in some detail.

The movie will begin at 7:30 p.m., and the admission charge is 40 cents.

KWAR Revised

KWAR is featuring a revised music format this semester, according to Terry Havel, program director.

Except for "The Cool Spot" heard at 10:15 p.m. Monday through Friday and "Dawn Patrol" at 7:05 each weekday morning, all popular and mood music is offered uninterrupted.

In addition, "Connoisseur," the daily classical music program, has been expanded to a full two hours, beginning at 8 p.m.

Politics Highlight For Final Block Of Convocations

Final block of convocations will begin next week, according to Pastor Herman Diers, college chaplain.

Continuing under the general theme "Isolation-Involvement: Man's Predicament," politics will be the area for consideration.

The subject for convocation Tuesday will be the Self Help program originated by Vern Schield of Schield Bantam Co., Waverly.

The nationwide program was organized to make farm and construction equipment in America available to underdeveloped countries.

Making the presentation with Schield will be John Baccarini, executive director of the program.

Thursday, Dr. Robert S. Michaelson, director of the school of religion at the State University of Iowa, Iowa City, will be the speaker.

Dr. Michaelson, who was born and raised in Clinton, received his degrees at Cornell College, Yale University Divinity School and Yale University. A Phi Beta Kappa member, he will speak on the theme "No Other Gods."

Quiz Bowl Planned Here

A second college quiz bowl meet, similar to the recent one with Simpson, is tentatively scheduled for a convocation here on May 2, 7 or 16, according to senior Fred Dierks, coordinator.

Wartburg was defeated at a meet held during a convocation period Feb. 19 at Simpson College, Indianola, by a score of 300-140.

Senior Darrell Jobman led Wartburg's team in their first attempt at such a contest. Other members were Judy Sefer and Victor Lachica, seniors, and Paul Wilken, junior, with Dierks acting as team coach.

At Simpson the questions were all written by the host school. In the future questions will be written on a fifty-fifty basis by both schools.

Fruehling Recently Named NCA Coordinator; Visits 3 Kansas Colleges For Added Study

Recently appointed as a coordinator for the North Central Association Study on Liberal Arts Education, Dr. W. G. Fruehling, Psychology Department, visited Ottawa University, College of Emporia and Baker University, all in Kansas, recently.

Under the auspices of the North Central Association of Colleges and Secondary Schools, the study committee is entering its 22nd year of operation.

The committee is directed by Allan O. Pfnister, Dean-elect to Wittenberg University, Springfield, Ohio. Pfnister is presently serving at the University of Michigan, Ann Arbor.

At present the study serves to strengthen programs of its member liberal arts colleges. It does so by fostering individual studies concerning education within the member colleges.

Information gained is shared by the member colleges through summer workshops, bulletins and other forms of exchange.

According to Dr. Fruehling, the coordinators act as consultants and transmit information from one school to another. Dr. Fruehling was previously associated with the study through his evaluation of the Wartburg student, now in its third year.

Dr. Edwin Schick, presently involved in his study of the Wartburg curriculum, is also working in connection with the study committee. Both Dr. Fruehling and Dr. Schick have attended summer workshops.
